Use this guide to work out skiing and snowboarding levels. Level videos are available online at www.skinewgen.com to assist in finding the right level.

Adult Ski Courses & Clinics

Level 1	This is my first time.	Adult Courses L1 - 5	
Level 2	I have tried skiing before, on snow or on a dry slope. I have started to snowplough turn on the nursery slopes.		
Level 3	I am confident snowploughing on green and blue runs and my skis are sometimes parallel towards the end of the turn.		
Level 4	I ski parallel on a blue run, but may struggle when it gets steep, narrow or icy.		Technical Clinics L 4 - 7
Level 5	I can ski red runs when the conditions are good. I enjoy skiing fairly fast, but struggle when it gets bumpy, steeper, icy, or the snow gets deep.		PRO Courses L 5 - 7
Level 6	I can ski all reds and get down most blacks as well, providing they're not too steep or bumpy.		Skill Sessions L 5 - 7
Level 7	I can ski most places. Black runs are no problem and I enjoy off-piste and itinerary runs.		

Snowboarding Course & Clinics

Level 1	This is my first time on a snowboard	Course L1-3
